"You think dogs will not be in heaven?
I tell you, they will be there long before any of us."

- Robert Louis Stevenson

BONNIE

"Chris has captured the
essence of Bonnie, she is
a mischievous frenchy
with a loving and
inquisitive nature.
We love our portrait."

- Michelle Bird 2013

Christopher focuses his attention on the purity of the unquestioning
devoted companion the dog, the hound of our affections with a series of semi-abstract
emotive caricatures. His paintings capture the essence, that feeling we have when face to face
with our best friend, the mutt who holds our affection and amusement
with unconditional trust and love.
