# Corporate Events

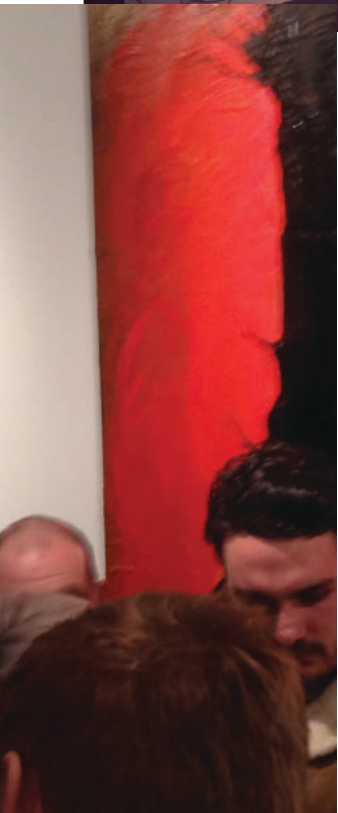

The Ministry of Art is a great venue for corporate team building nights. Recently, the BT Select crew had a wine tasting plus team building night where they created artworks outlining their team values. Lots of fun mixing colours and creating art that spoke to them about their company and what it stands for.

Valuable for employee engagement, team building and bonding. A great night out! Contact us if your business would like to know more about our Artful Thinking team building program.

## Life Drawing & Art Events

“A fun day with great teachers”. Sixteen people enjoyed 5 hours of painting and life drawing classes at the Ministry of Art, including a gourmet lunch, wine and champagne. Everyone left with their own artwork, life drawings and happy memories. We are accepting bookings for the next classes; [enquiries@artministry.com.au](mailto:enquiries@artministry.com.au)
